

PROFESSIONAL SUMMARY

Dedicated to building technically robust, visually dynamic web experiences centered on the end-user. Leveraging my management and entrepreneurship backgrounds to drive empathetic UX and client relations, I combine this focus with modern development techniques and systems infrastructure expertise to engineer secure, scalable digital environments and seamless client experiences.

WORK EXPERIENCE

Mauka Tours LLC - Web Designer / Site Administrator

September 2022 to Present | Honolulu, HI (Remote)

- Completed comprehensive UI/UX overhauls, implementing mobile-first designs and SEO standards.
- Managed SSL certificates, email server configurations and spam filters.
- Cleaned up site architecture by auditing legacy PHP code, out-dated themes and deprecated plugins.

Rio Conversions - Custom Campervan Builder / Owner Operator

August 2020 to June 2022 | Fruita, CO

- Oversaw the design, engineering, and successful market sale of bespoke off-grid camper vans.
- Managed technical procurement and project budgets, sourcing specialized components to meet strict build requirements.
- Translated technical specs into user documentation, providing end-user support and training for all onboard systems.

High Alpine Brewing Company - General Manager

April 2016 to May 2017 | Gunnison, CO

- Hired and trained all new staff with a mindset of elevated service through empowerment and knowledge.
- Acted as the main point of contact for technical solutions, resolving issues with POS systems and network connectivity.
- Transformed high-tension complaints into positive outcomes through active listening and professional diplomacy.
